## 907m<sup>2</sup> Ocean View Lot with Sunset Views in Harmonie

**Price:** USD 167.140 (XCG 299.181)

**Lot size:** 907 m2

**Location:** Harmonie

Positioned in the final row of lots before the coastline, this generous 907m<sup>2</sup> (9,763 square feet) ocean view lot in Harmonie offers the opportunity to create a truly special home in one of Curaçao's most exciting emerging residential communities.

As one of the larger lots within Harmonie, this property gives future owners the space and flexibility to fully realize their vision, whether that means expansive indoor-outdoor living, lush tropical gardens, an ocean view infinity pool or spectacular sunset terraces inspired by neighboring luxury homes.

With Harmonie HOA regulations allowing construction heights of up to 8 metres, a thoughtfully designed residence can enjoy beautiful first and second floor views stretching out over the Caribbean Sea, towards Coral Estate and out to Curaçao's specta...
