Welcome to Porta Kurá Bunita – Contemporary Living in Curaçao's Northeastern Haven

Porta Kurá Bunita is the premier neighborhood in the visionary Koraal Tabak development plan. Nestled in the peaceful northeastern region of Curaçao, this secure gated community is home to approximately 200 residents. Designed for families of all sizes and life stages, the neighborhood offers a blend of comfort, privacy, and natural beauty. Rooted in the historical character of the land, this development reimagines the rural landscape into a vibrant suburban oasis, where residential, professional, and recreational spaces come together in harmony.
