Modern villa with apartment, pool and view over the golf course

At Blue Bay, within the safety of a resort, you can enjoy beautiful palm beach, an 18-hole golf course, tennis court, shops, restaurants and a diving- and sailing. Blue Bay is centrally located to Willemstad & Otrabanda, with its city life, and to Banda Abou, the rural side of the island where most of the natural bays and the Christoffelpark are located.

This villa with pool borders directly to the greenery of the golf course.

You enter the villa through a solid wooden door. Upon entering, you step into a bright living room with a high gabled roof overlooking the pool and golf course. This floor has a warm ceramic tiled floor with a wood look. Through the hallway, you walk into the living room, on the left side is the seating area and, on your right, the modern open kitchen with cooking island and bar and all equipment including a six-burner gas cooker and a double combination oven. Adjacent to the kitchen is a pantry which houses, amongst other things, the washing machine and hot water boiler. The pantry can be closed off from the kitchen by a door. To create a natural transition to the terrace simply open the French doors...
