At the car-free resort Cocolora Apartments, approximately sixty (60) apartments with their own spacious garage will be realized on a site of approximately 12,200 m².

The apartments will be in 17 blocks with four apartments per block. Two apartments on the ground floor and two apartments on the 1st floor.

Each apartment is delivered with its own spacious garage. There is a swimming pool on site for shared use.

The apartments and the location of Cocolora offer you the opportunity to enjoy your own home, but are also particularly suitable for rental or as a second home!

The resort is closed all around and free of cars. With the included plantings and walking paths, this creates an open habitat where a safe feeling prevails. A central swimming pool, palapas and greenery give the whole a luxury and...
