Discover an exceptional business opportunity located just minutes away from Curação International Airport and directly next to the vibrant F.D. Rooseveltweg — one of the island's busiest commercial routes. This property features multiple commercial units, as well as an adjoining plot of approximately 300 m², available for lease together or separately, offering flexibility for various business concepts and expansion plans.

Positioned along a high-visibility road with excellent accessibility via multiple connecting roads, this location guarantees continuous exposure, convenient traffic flow, and easy access for both clients and logistics.

Each unit is equipped with functional utility features, suitable for a wide range of commercial purposes. One of the units has direct access to a spacious rear area, providing additional usability for storage, operational workspace, staff facilities, or inventory handling. The back area includes two wat...
