Wonderfully located -this monument Landhuis Francia

This beautiful monument Landhuis Francia was built in 1820, but was restored back in its old glory. It serves as a residence nowadays.

Very centrally located property. Close to shops, schools and businesses, but very private in nature.

The house itself has 4 romantic bedrooms and bathrooms and a fully equipped kitchen. There is also a living and dining room, a music lounge and a library. An office and a large wine-cellar make the picture complete.

The estate is framed by a garden with drip-system, a pool of 72 m² and a Gazebo with bathroom. Behind the house is a small maidenroom/washroom.
