You have found the one!

A property that gives you the right feeling, from the moment you walk in. — it gives you the feeling of luxury, esthetics, function and elegance.

Positioned on a spacious 980 m² lot, property, this multi-layered asset was designed by the Architect Marchena himself.

The house offers relax space, work space and creative spaces on every level!

- Ground level: a giant living room and connected spacious, well equipped Brugman kitchen and a covered terrace. A wash and laundry room with spacious toilet, an outside kitchen area, surrounded by a luscious garden with a big pool and green garden! There is even a subterranean room that could accommodate an office, creative space or even a guest bedroom.

- Upper levels: 2 bedrooms with bathroom, 1 master bedroom with its own spacious ...
