Bathrooms: 2
Bedrooms: 3

A distinctive new-build villa designed around the Curaçao lifestyle.

Located within the new Scherpenheuvel Resort, this luxury three-bedroom villa combines contemporary architecture, tropical living and high-end comfort.

The architecture immediately stands out. Clean horizontal lines are balanced by elegant curved forms, natural materials and large glass surfaces, creating a modern home with warmth and character.

More importantly, the villa has been specifically designed for Curaçao's tropical climate. Its position takes advantage of the constant winds, while strategically placed openings and electrically operated shutters encourage natural airflow throughout the home.

At the heart of the villa is a spacious open-plan living area with a high-end kitchen and large cooking island...
