Welcome to the Novus Urbana residences, where the lifestyle of a modern middle-class family is complemented by an exquisite villa designed for entertaining and relaxation. These villas set a new standard in modern design, incorporating advanced technology and sustainable concepts to enhance livability while minimizing operational costs and environmental impact.

Located in the pristine northeast of Curaçao, just a short walk from Sint Joris Bay and a convenient 15-minute drive from Willemstad, Hofi Sint Joris is a unique and innovative development plan. It seamlessly blends residential and recreational enjoyment, offering a serene environment with ample space for sports and relaxation. Enjoy captivating views of the sea, Sint Joris Bay, Rondeklip, and the Tafelberg, all accompanied by a refreshing sea breeze. On clear days, catch a glimpse of Bonaire on the horizon.

As part of this exclusive development, we are delighted to offer ten lots for sale, providing a presale opportunity for these exceptional villas. Secure your place in this idyllic community that seamlessly combines nature and safety within a spacious setting.
