Cozy place in Townhouses Hanenberg for Rent.

Looking for a well maintained rental place with pool and private garden? Then this is the perfect rental opportunity.

This townhouse is located at the end of the small scale resort with just 7 other townhouses. Due to the location on the resort this house has a spacious enclosed garden with lots of privacy. The garden has recently been laid with pebble stones.

You will enter the living room from the covered porch on the left hand side. The seating area is located on the right at the front of the house next to one of the bedrooms. The master bedroom is situated at the back of the house and has direct access to the bathroom. Between the 2 bedrooms is the kitchen which is well-equipped with all appliances and has a pantry with access to the garden.
