

FOR SALE

Westpunt

Price: USD 875.000 (ANG 1.557.500) **Lot size:** 2.290 m2

Location: Westpunt

This extraordinary piece of paradise can be found at the far end of Westpunt. On the secured premises of the Kura Hulanda Lodge, you will find the entrance to this waterfront location.

A terrain as large as 2290 square meters, gives home to a spectacular palapa villa design plan. The terrain overlooks the ocean and has its own entrance to the water. On your doorstep you'll find the a beautiful reef of Curacao.

You'll wake up surrounded by the soft sound of the waves of the water and the birds that are nesting in the neighborhood. You like fresh fish on the BBQ? Just bring out your fishing rod and catch your own catch of the day.

The terrain is sold with all permits and the current construction. Of course the plan as well as all the right contacts to finish the project are included.

The land is leasehold (erfpacht).
